## TIGER PLAZA PROJECT

Roger Jump, Gary Simas, and Shane Kramer visited the Kiwanis Club of San Luis Obispo de Tolosa at the Elks Lodge on January 24, 2011. The meeting began about 6:00 p.m. The program was about the Tiger Plaza Project at the San Luis Obispo High School.

The Tiger Plaza Project has been evolving over a number of years. It is a beautification and improvement project being carried out by volunteer help and finances. The project improves an area for pedestrian use from the main gate to the turn around on the San Luis Obispo High School campus outside the snack bar at the gym.

At present, the project envisions placing pavers over the existing roadway area and installing square planter boxes made of cement block that can also serve as seating areas outside the gym. Help will be needed in placing the pavers, other labor intensive events, and fundraising for the project. The project is designed so that a section at a time can be completed as help is available.

The Kiwanis Club of San Luis Obispo de Tolosa and the SLOHS Key Club are planning to participate in this project. There is an opportunity of our club to work with them. More to come in the future .....

## KIWANIS ONE DAY – April 2, 2011

For a number of years now, the Kiwanis Clubs in the North County have been doing a work day on Kiwanis One Day at the San Miguel Mission. Kiwanis One Day is when all Kiwanis Clubs throughout the world are encouraged to do a work project. This year Kiwanis One Day is April 2, 2011. All Kiwanis Clubs in Division 24 are invited to do their work day at the San Miguel Mission. It would be a great Kiwanis Family event if all the clubs do so. Mark your calendar for April 2, 2011 and plan to attend the work day at the San Miguel Mission.
