## CLUB ELECTIONS

Club elections are upon us once again. There are openings for Second Vice-President and four positions on the Board of Directors. The Second Vice-President will serve for one year and then promote to First Vice-President. The First-Vice President then serves for a year and then promotes to President. This gives the Second Vice-President two years for planning and training before becoming President. Anyone interested in serving as a Club Officer, Director, or committee chair next year should talk to Roger Frederickson or one of the current officers or Board members.
