## PRESIDENT'S RULES FOR 2010-2011

Rule #1 Bring a guest to meetings and projects.

Rule #2 Attend an interclub

*Failure to comply with the rules will result in prosecution to the full extent of Kiwanian law and the power vested in the President. The Kangaroo Court is now in session. Compliance is liberally construed!*

**SOAPBOX: Please try to keep your soapbox short. Two or three minutes is about right. Try to use your soapbox time to talk about yourself or your business. If you need more time, consider scheduling to be the program at one of our meetings.**

**AUDIO- VISUAL EQUIPMENT:** If the Program Presenter needs audio-visual, please make arrangements with Hilding Larson at least one (1) before the program is to be presented. If you are sponsoring a speaker, please ask the speaker if audio-visual equipment needs to be provided for the presentation when you contact the person about presenting the program.

The Program should be 15-20 minutes in length. If more time is needed or if audio-visual equipment is needed, please make arrangements with the Club President at least one (1) week before the program is scheduled to take place.

## LET'S START RAISING MONEY FOR THE ELIMINATE PROGRAM

**The Eliminate Program** is a major effort by Kiwanis International in partnership with UNICEF to eliminate tetanus in newborn babies which is a serious problem in some of the poorest countries in the world. A child born with tetanus has a very short life expectancy. Death is a certainty in these situations. This can be avoided at very low costs per child by making sure that the pregnant mother receives tetanus shots.

Over the next several meetings, the Kiwanis Club of San Luis Obispo will be passing the can for donations to this cause. Please bring your check, loose change or more to the meetings to contribute something each week for the next several meetings. These donations are just the start of our efforts to contribute our club's share to this worldwide service project.

Whatever we raise over the next few weeks will be presented to incoming Lt. Governor Rich Benitez at the Division 24 Installation dinner on September 9, 2011 as a token of our commitment to this worthy effort to save the lives of newborn children.

# CLUB MEETINGS

## July 28, 2011

The meeting was called to order by President-designate, Roger Frederickson.

If you did not make it to the meeting, which included more than half the membership, you really missed out.

We had the unusual occurrence of having more guests than members. Those guests included the following: Dan O'Donahue (Roger Jump's guest), Monica Rosecrans, Michael Pick and Paul Parker (Roger Frederickson's guests), Bruce Eddy (San Jose Kiwanian), two members of the San Luis Obispo Fire Department (Daren Reese and Russ Griffin), two members of the San Luis Obispo Police Department (Jeff Gator and Matt Blackstone), and Daren Reese's wife Shannon Reese. After introductions, Roger Jump was fined for nearly forgetting to introduce his guest and butchering the name of another guest at his table, Doc Steele was heavily fined for two failed attempts at humor, the San Francisco Giant fans were fined for ongoing widespread cheating, and a bunch of happy bucks found their way into our coffers. Bob Alderman made a further plea for assistance for the next Feed the Homeless on August 7 -- we are still short on food and servers, and Doc Steele reminded everyone that Si Tenenberg will be at the next meeting with care packages for the troops -- sign ups encouraged.

The food was incredible today. Cold cut sandwiches, with loads of meat, cheeses and toppings.

We were then treated to a presentation by the SLO firefighters union and SLO police department union on why we should vote against Propositions A & B. A lively and educational debate followed.

Jeff Lee won the \$10 raffle ticket and Matt Blackstone won the \$5 ticket. Woeful Giant fan Shannon Fitzpatrick whiffed on the 50/50 drawing, missing the Ace by a mile (much like the SF hitters are prone to do). No one has any idea what the pot is up to now, which makes the whole thing very interesting.
