

SLO NOONTIME KIWANIS CLUB

Our Thursday Meeting

Our Vice President, Kristy, opened the meeting at 12:15. Hilding led the pledge, "The Quartet" (Ron, Roger J. and guest Bruce Pinner) entertained us, and Kevin led the prayer.

Hilliary Wallington visited us once again from Rich's office, former member Bruce Pinner joined us, as well as Julie and Lauren of the Family Care Network (the Program).

Reports

No one missed our Secret Greeter, Roger F.

Howie reported that he survived the election without being arrested. Members who worked the polls were happy to see all the excited, young people voting for the first time. Sean said he had a lot more fun this election than last.

Kristy announced that she will be on leave beginning next week through the end of the year.

Kristy reminded those who signed up to attend the Melodrama to be sure to get a check to Jim H.

Bob A. and Kevin reported on Feed the Homeless. Kevin's daughter's speech class turned out to help, and Howie brought a bunch of extra food. Good Job!

Henry reminded all that he is taking See's Candies orders through the end of November. We are only ½ to our goal.

Joke of the Week

Roger F. quickly filled in with a Joke of the Week. John provided us with a follow-up joke. Don't be an ID 10 T
